Updating GSA Fleet's Short Term Rental Program

Great Value and Service with GSA Fleet

Imagine never being "down" a vehicle, even when your GSA Fleet vehicle is out of service due to an accident or maintenance. Or maybe you need additional vehicles due to surge or special needs. As a GSA Fleet customer, you can keep moving forward with GSA's Short Term Rental program.

Benefits of the Short Term Rental Program:

- Single point of contact for all rental activities
- Streamlined, hassle-free procurement
- Lowest available rates
- Tax exempt and no GARS fees
- Fuel cards available
- Allows for multiple drivers
- Pass through billing onto monthly GSA Fleet bill
- Reports to help manage your fleet needs

Let Us Keep You Moving Forward!

Available Vehicle Types

Available vehicles include sedans of all sizes, SUVs, mini-vans, cargo and passenger vans, pick-up trucks, box and stake trucks, flat beds, trailers, refrigerated trucks and trailers, and single and double axle conventional tractors.

GSA Fleet's STR Program features low prices, ease of use and a reporting package which can assist your agency with tracking fleet expenditures and managing fleet allocation. Our program rests upon the Rental Supplemental Vehicle Program (RSVP) Schedule. RSVP is located on Schedule 48 under Special Item Number SIN 411-2.
